

Registering your horses Microchip.

Enter this website address into your browser - <https://www.identibase.co.uk/>

Click on the green button that says Register New Microchip

You will be asked to enter your First Name, Surname, Email Address and set a password

Once you have saved this you will be asked for your horse's details and their microchip number.

Our Vet Code number is **20088**

This information can also be used if you are changing owner details.

If you have any problems with registering you microchip, please don't hesitate to give the practice a ring on 01297 304007
